

FINAL DETAILS WESSEX NIGHT LEAGUE and Club Social

BROWNSEA ISLAND

Monday evening 6th February 2012

Parking

Parking is on the roads around the Sandbanks peninsular and competitors should aim to park up by 5.30 to allow sufficient time to walk to the wooden jetty that is on the west side of the chain ferry. This will be signed.

Boat

The Brownsea Staff boat is at 6.00 and does not wait as he has to keep to his schedule.

Registration and Assembly

Registration and Assembly are in the National Trust reception area which will be the first building you come to on arrival. Please register immediately and be ready to run soon after. Clear and Check your SI dibber. Loose description sheets will also be available. Maps in elastic bands will also be issued here – we trust you not to open them until after you have started.

Start

The start is 300mtrs down the main track and will be lit with glow sticks. There will be a virtual mass start as soon as possible (around 6.35). Everyone will start dib one after the other.

Map

The map is at 1:5000 and has been extensively resurveyed by Eric Whapples and Gavin Clegg during the winter of 2011/12. However there are still improvements to be made and if there is anything you feel isn't right then please let us know as it will help future surveying. The map is printed at A3 on waterproof paper.

Course

The course is a 60 minute score event with various point scores per control (see description sheet). Gavin thinks the optimum route is 6.2k with 150 mtrs of climb. There is a 10 point penalty for every minute or part minute you are late and if you collect all the controls in the 60 minutes then bonus points of +10 points per full minute early will be added.

Finish

The finish is at the start point, then make your way back to the assembly room and download.

Refreshments and Talk

Tea, coffee and biscuits will be available. Trevor Warwick, Activity Centre Manager for the National Trust will be giving us a talk about the current management of the island from 7.45.

Boat Home

The boat home will leave at 8.20
