

Informal - Kings Park / Littledown - Monday May 5th 2014

Organiser's Note: As you were aware, the results weren't printing out properly and, much as we tried, we could not get a decent copy off the download box. It therefore required careful scrutiny of the printouts that we had on the night, and made judgements on whether the controls that hadn't been printed properly were Master Controls, or not. We also assumed people had visited the misplaced control (45) if they had been in that vicinity. If, however, you feel that the results given below are not a true record of your run, please let me know! julie.astin@hotmail.co.uk (I know how honest orienteers are!!) Thank you for your patience in waiting for these results. Julie
