

Corfe Mullen MapRun – July 2025

Planner: Bruno Smith

Mapper: Jason Falconer – This is a newly mapped area, so we hope you enjoy it.

Parking: Use parking behind Co-op in Corfe Mullen (///depth.seeing.master) or just along by the playground.

Co-op, 46 Wareham Rd, Corfe Mullen, Wimborne BH21 3LE

Please note Control 15 may not register so you may need to use HITMO function at 30m after the event (a lot of tree cover). The feature (a bridge) is very obvious so don't hang about if you don't hear the beep. Also, the path network in the wood north of Control 15 is not totally correct, but if you want to get through it's pretty easy.

There is some bracken and bramble growth. You will get some scratches if you don't wear leg cover, and venture out of the housing areas.

Please check your body for ticks after your run.

Key info:

600 points - 10 x 10 pts, 10 x 20 pts, 10 x 30 pts, (straight score)

Time limit - 60 minutes.

Have fun.
